WHEREAS, pursuant to C.R.S. §30-15-401(1)(n.5), the Board has specific authority to adopt an ordinance establishing an open burning permit system for the purpose of authorizing and regulating open burning as one of the many methods of safely disposing of slash and to adopt an ordinance banning open fires to a degree and in a manner that the Board deems necessary to reduce the dangers of wildfires within those portions of the unincorporated areas of the County where dangers of forest or grass fires are found to be high; and

WHEREAS, the Board encourages special districts having fire jurisdiction to provide education to citizens about the use of fire as a tool; and

WHEREAS, C.R.S. §30-15-405 provides that except for ordinances calling for special elections or necessary to the immediate preservation of the public health or safety and containing reasons for making the same necessary, such ordinances shall not take effect and be in force before thirty days after they have been so published; however, an excepted ordinance shall take effect upon adoption; and

WHEREAS, the Colorado Division of Fire Prevention and Control has established Slash Pile Burning guidelines; and

WHEREAS, the Board finds that competent evidence has been presented indicating that the danger of wild fire in Archuleta County is periodically high, and therefore it is necessary to the preservation of the public health, safety and welfare of the citizens of Archuleta County to impose restrictions on all open fires and open burning within the unincorporated areas of Archuleta County; and

WHEREAS, the Board has determined that it is in the best interest of expedient and efficient government to amend the ordinance to allow for a different procedure for the County to engage in an Memorandum of Understanding with certain property owners to accomplish the same purposes of the Original Ordinance; and

WHEREAS, the Board has determined that such a Memorandum of Understanding procedure as is being incorporated by way of this Amendment will best serve the health, safety and welfare of all citizens of Archuleta County.
