Such confinement shall be maintained from the beginning of the proestrus state, where there is odor and discharge, for a period of twenty-five (25) days or until she is out of the estrus condition. It shall be unlawful for the Owner or keeper of such female dog to fail to

Section 8. Issuance of Summons and Complaint.

- 8.1 Whenever any person designated as an Animal Control Deputy has probable cause to believe that any violation of Title 30, Article 15, C.R.S., as amended, has occurred, or whenever said person has probable cause that any violation of any provision of this Ordinance has occurred, said person may issue a summons and complaint to the violator, stating the nature of the violation with sufficient particularity to give notice of said charge to the violator.
- 8.2 A summons and complaint issued by an Animal Control Deputy shall contain:
- i. the name of the defendant;
 - ii. the offense charged, including a citation of the Statute or Ordinance section alleged to have been violated;
 - iii. a brief statement or description of the offense charged, including the date and approximate location thereof; and
 - iv. direction to the defendant to appear before the Archuleta County Court at a stated time, date, and place.

A summons and complaint containing the information specified in this subsection shall be deemed *prima facie* compliance with the requirements of subsection 8.1.

- 8.3 Any peace officer may issue a summons and complaint pursuant to C.R.S. § 16-2-104, as amended, and Colorado Rules of Civil Procedure 4.1(c)(3) for any violation of Title 30, Article 15, Part 1, C.R.S., as amended, or for any violation of this Ordinance. Any summons and complaint issued pursuant to this subsection shall contain the information contained in subsection 8.2.
- 8.4 A summons and complaint issued for the first or second violation of the provisions of this Ordinance may also contain a penalty assessment notice pursuant to C.R.S. § 16-2-201, as amended, as the same may from time to time be amended, requiring the defendant to appear at the place, time and date specified or, in lieu thereof, to pay the specified fine in person or by mail at the place and within the time specified in the notice. Payment of the specified fine shall constitute acknowledgment of guilt of the offense charged.

Section 9. Penalties.

- 9.1 In addition to each and all the enforcement provisions provided for herein, the following penalties shall apply:
- A. The Board hereby adopts the penalty assessment procedure provided in C.R.S. § 30-15-102(1), as it may be amended, for any violation of any provision of this Ordinance not involving bodily injury to any person with the following graduated fine schedule:

First offense:	\$100.00
Second offense:	\$250.00
Third offense:	\$500.00
Each subsequent offense:	\$1,000.00

These penalties shall be imposed on the violator and not the subject dog.

- B. Any violation of any provision of this Ordinance resulting in bodily injury to any person shall be a Class 2 misdemeanor and any violator shall be punished as provided in C.R.S. § 18-1.3-501 *et seq.*, as amended, for each separate offense.

- 9.2 This Ordinance authorizes the use of the penalty assessment procedure in C.R.S. § 16-2-201, *et seq.*, as amended, with a graduated fine schedule for violations not involving bodily injury to any person, and with the graduated fine schedule specified in subsection 9.1(A) above. In addition to any other penalty, persons convicted of a violation of this Ordinance shall be subject to a surcharge of ten dollars (\$10.00) paid to the Clerk of the Court for credit to the victims and witnesses assistance and law enforcement fund for the Sixth Judicial District.
- 9.3 If the violator pleads guilty, no contest, is found guilty by a jury of his or her peers, or by the requisite Judge with proper jurisdiction, for all petty offenses, the penalty assessment shall be pursuant to Statute.
- 9.4 This Ordinance establishes that each violation is a separate violation for each dog alleged to have been in violation of this Ordinance.

Section 10. Animals Subject to Impoundment or Destruction.

- 10.1 Any vicious dog, or dog found running at large or not under control may be impounded by a peace officer or animal control deputy, at the officer’s discretion, with the costs of such confinement assessed against the Owner or keeper of the dog to be collected by restitution or other legal process.
- 10.2 The impoundment facility, or its designee, shall give notice of impoundment to the Owner of the dog in the following method:
 - a. If the dog is wearing a collar with an identification tag attached or is implanted with an identifiable microchip, the impoundment facility shall call the phone number appearing thereon or shall make other reasonable efforts to identify and notify the Owner of the dog. If the impoundment facility or its designee is unsuccessful in notifying the Owner of the dog within twenty-four (24) hours of the impoundment of the dog, then the impoundment facility shall promptly so notify the Archuleta County animal control deputy or other Archuleta County designee (“County Official”). The County Official shall then be required to attempt to notify the Owner, using the methods set forth in subsections 10.2.b through 10.2.e.

- b. If an address appears on the tag, the County Official shall address a letter, postage prepaid, to the address shown on the tag. Notification by letter shall be complete upon mailing.
- c. If the dog has no identification or license tag, a notice of impoundment, giving the general description of the dog and the time and general location where the dog was taken up, shall be posted at the impoundment facility. Notification by posting shall be complete upon posting.
- d. Notification by the means described in subsections 10.2.a through 10.2.c shall be deemed in compliance with the requirements of this Section. Records of such notification shall be kept by the impoundment facility and the County Official.
- e. If no Owner appears to claim the dog and pay the cost of the impoundment and any fines and penalties due within five (5) days after notification is complete, the dog shall be deemed abandoned and disposed of by placement for adoption or euthanasia, in accordance with the policies of the designated impoundment facility.

10.3 Owners claiming a dog that has been impounded shall be responsible for paying an impoundment fee and for the board and care of the Owner's dog. Impoundment fees shall be set by the impoundment facility (which shall include a microchip implant prior to the dog's release if the Owner permits it) and boarding and care fees as set by the impoundment facility. The Owner may be required to provide proof of rabies vaccination per Section 10.4 below.

In addition to the impoundment fee and boarding and care, Owners must pay any actual and necessary veterinary costs incurred on behalf of the dog.

10.4 In addition to the impoundment fees set forth above, any impounded dog shall not be released until such dog has been vaccinated for rabies or until proof that the dog has a current rabies inoculation has been received by the impoundment facility. If the dog has not been vaccinated, the impoundment facility shall receive from the Owner a vaccination deposit, in an amount based upon the actual and necessary costs of vaccination and which is set annually by the impoundment facility. Upon receipt of the deposit, the dog may be released to the Owner and upon proof that such dog has been vaccinated within ten (10) working days after such release, the vaccination deposit shall be returned to the dog's Owner.

10.5 Where, in the opinion of the Archuleta County Public Health Department or its designated representative or animal control deputy, an animal is suspected of being rabid, or where the animal has bitten a person or another animal, such deputy or his designated representative may confine the animal in accordance with C.R.S. § 25-4-604. The costs of such confinement shall be paid by the Owner or keeper of the animal to be collected by restitution or other legal process.

10.6 In the prosecution of an Owner or keeper for violation of this Ordinance, the court may, upon entry of conviction or acceptance of a guilty plea and a finding that such dog is vicious, order that such vicious dog be euthanized.

Section 11. Designated Impoundment Facility. The Board shall designate, on an annual basis, the facility that shall serve as the Designated Impoundment Facility for purposes of this Ordinance and that is authorized to impound dogs pursuant to the provisions of this Ordinance.

Section 12. Violations/Strict Liability. Violations of any provisions of this Ordinance shall be proven by establishing beyond a reasonable doubt that a person performed a voluntary act or the omission to perform an act which such person was physically capable of performing; and that such act or omission was contrary to any provision of this Ordinance constituting a violation. It shall not be necessary to prove a culpable mental state on the part of any person with respect to any material element of any violation. Any violations of this Ordinance are ones of “strict liability” as defined in C.R.S. § 18-1-502 and generally throughout Title 18, Article 1.

Section 13. Enforcement. The provisions of this Ordinance shall be enforced by any person designated as a “peace officer” as defined by Colorado Statute or an “animal control deputy” as defined above.

Section 14. Disposition of Fines. All fines for violations of any provision of this Ordinance shall be paid to the Archuleta County Treasurer immediately upon receipt and shall be deposited to the Archuleta County General Fund.

Section 15. Liability for Accident or Subsequent Disease from Impoundment. In accordance with C.R.S. § 30-15-104, neither the Board nor any of its assistants, employees, or any other persons authorized to enforce or administer any of the provisions of this Ordinance shall be held liable for any accident or subsequent disease that may occur to an animal in connection with the enforcement or administration of this Ordinance.

Section 16. State Statutes Control. If any statute in the State of Colorado or United States Government gives or confers upon any person power to deal with dogs running at large or dogs endangering persons or property, which powers are greater than those set forth in this Ordinance, this Ordinance shall not be construed to reduce or modify the powers granted by statute.

Section 17. Singular/Plural. The use of the singular form of any word or term used herein shall be interpreted to include the plural form of such word or term and the use of the plural form of any word or term used herein shall be interpreted to include the singular form of such word or term.

The captions and paragraph headings used throughout this Ordinance are for the convenience of reference only, and the words contained therein shall in no way be held or deemed to define, limit, describe, explain, modify, amplify, or add to the interpretation, construction or meaning of any provision to or the scope or intent of this Ordinance.

Section 19. Severability. If any provision of this Ordinance or the application thereof to any party or circumstance shall to any extent be deemed invalid or unenforceable by a court of law, the remainder of the Ordinance, or the application of such provision to parties or circumstances

other than those to which have been deemed invalid or unenforceable, shall not be affected thereby and each provision of this Ordinance shall be valid and enforced to the fullest extent permitted by law.
